DEMOLITION PERMIT

The City of Hillsboro requires a Demolition Permit for the demolition of the structure located at: _____

Demolition Permit Fee: _____

Amount Paid: _____

Date Paid: _____

The City of Hillsboro requires that before a structure can be demolished or removed, the owner or agent shall notify all utilities having service connections within the structure such as water, electric, gas, sewer and other connections. A permit to demolish or remove a structure shall not be issued until a release is obtained from the utilities, stating that their respective service connection and appurtenant equipment, such as meters, and regulators, have been removed or sealed and plugged in a safe manner.

To determine what actions are required by you to comply with Missouri Department of Natural Resources regulations concerning demolition and asbestos, you are directed to go to their web site: www.dnr.mo.gov/env/apcp/asbestos.htm .

I herein affirm that Ameren-UE, Southwestern Bell Telephone, and Missouri Natural Gas, or other gas company if applicable, have been notified and have disconnected and removed their equipment from the premises. I understand the City is responsible for removing the water meter and, also for disconnecting the sewer, if necessary.
